DDA 76-4131

ODP 1636-76

1 8 AUG 1976

MEMORANDUM FOR: Chief, Management Assessment Staff, DDA

FROM   :   ███████████████   **STATINTL**
                  Chief, Management Staff, ODP

SUBJECT   :   Presidential Management Initiative

1.   The following information is provided in response to your request on 16 August for information on (1) major contracts with the private sector and (2) productivity measurement.

2.   <u>Contracting Out.</u> The Office of Data Processing has contracts with the private sector for:

   a.   Development of a highly sensitive COMIREX Automated Management System (CAMS).

   b.   Development of software and hardware for a computer system for the analysis of telemetry data, Telemetry Analysis and Display System (TADS).

   c.   IBM computer systems engineers for technical support to computer systems.

   d.   Eastman Kodak technical services.

   e.   TRW system programming and training for the Generalized Information Management System (GIMS).

   f.   IBM computer programmers for applications programming.

3.   <u>Productivity Measurement.</u> Some of the productivity measurement data in ODP are:

   a.   Number of batch jobs per day.

   b.   Average turnaround time for batch jobs.

   c.   Number of records converted to machine language.

   d.   Mean time to failure for each computer system.

e. Mean time to repair for each system.failure.

f. Number of requests for computer service
(Form 930) completed each month.

g. Number of customers (users) being supported
concurrently on the interactive time shared
computer system.

4. We will be happy to provide you with more detail,
if it is needed.
